OUR MISSION
We strive to prepare people for skilled, innovative and productive careers.

OUR VISION
The Lancaster County Career & Technology Center (Lancaster County CTC) is a full-service career and technical school dedicated to preparing high school students and adults for careers in the new economy. Lancaster County CTC is best among its class and strives to meet the highest standards of quality instruction.

WHO WE ARE
Since 1971, Lancaster County CTC has offered comprehensive technical programs of distinction to high school and adult students. We are the fourth largest technical school operating in Pennsylvania. The school features state-of-the-art training technology and first-class training facilities.

Lancaster County Career & Technology Center is an accredited institution of higher education approved by the U.S. Department of Education and the Commission of the Council on Occupational Education and licensed by the Pennsylvania State Board of Private Licensed Schools. The Practical Nursing Program is approved by the Pennsylvania State Board of Nursing. All programs are approved by the PA Department of Education (PDE) and reflect the employment needs of the greater Lancaster County region.

PROGRAMS
In this catalog, you will find information about the education and training programs we offer, including class descriptions, start dates, tuition rates and registration details.

TUITION CHARGES AND PAYMENTS
- Full course fees must be paid by the first day of training for classes costing less than $500.
- For classes costing $500 or more, one half of the tuition is due by the first day of training, with the balance due by the mid-point of the program.
- Material fees must be paid on the first day of class.
- Fees for textbooks or workbooks, if any, must be paid when the books are issued.
- If a uniform is required for class, it is the responsibility of the student to purchase it before the start of the class.
- Students who do not pay required fees or the balance of their training program by the required due dates will be removed from the program.
- Financial aid may be available depending on the program.

FINANCIAL AID AND PAYMENT PLANS are available to those who qualify.

CANCELLATIONS AND TUITION REFUNDS
- Courses are subject to minimum enrollment requirements. Under-enrolled classes are subject to cancellation. Maximum class size varies with program content, and enrollment is based on first to apply, first enrolled until maximum enrollment for the class is reached.
- You will receive either a confirmation of enrollment or a cancellation notice prior to the scheduled start date. If you have questions about your enrollment status, please call the Registrar at 717.464.7065.
- Full-time Adult Education Students: The non-refundable $50 application fee and $20 background clearance and testing fee are retained by the school if you drop the class. If we must cancel the class you are enrolled in, we will refund the $50 application fee.
- Short-Term Students: The non-refundable registration fee of $20 is retained by the school if you drop the class. If we must cancel the class you are enrolled in, we will refund the registration fee.

TUITION CHARGES & PAYMENT
FOR FULL-TIME ADULT EDUCATION STUDENTS
TUITION CHARGES AND PAYMENTS
- Tuition and fees are paid by term.
- Tuition amounts and terms vary by program.
- A student’s current term tuition must be paid in full prior to entering the next scheduled term of the program.
- Financial aid and payment plans are available to those who qualify.
- Students who do not pay the balance due on account by the end of the current term will be removed from the program.
- For partial tuition refunds, according to this schedule:
  - Withdrawal during the first seven (7) calendar days of the term—75%
  - Withdrawal after the first seven (7) calendar days, but within the first 25% of the term—55%
  - Withdrawal after 25% but within 50% of the term—30%
  - Withdrawal after 50% of the term—no refund

Refunds will be made on tuition charges for each payment period once a student is determined to be withdrawn from training at the Lancaster County Career & Technology Center. Tuition refunds will be calculated using the student’s actual last day of attendance. Refunds of pre-paid tuition shall be made within 30 days of the student’s last day of attendance. There are no refunds for textbooks, workbooks, clearances or materials.

Refunds of pre-paid tuition and fees occur automatically and are made within 30 days of the planned start date of the class.
THANK YOU FOR CHOOSING US

FINANCIAL AID

As you are considering your choice of program, you are encouraged to seek out possible funding sources before you enroll. We participate in various federal, state and local financial aid programs that assist students in need who would be unable to pursue an education without financial aid. Listed below are the Financial Aid resources available to students who qualify. For more information about financial aid options and application instructions, call our Office of Financial Aid at 717.464.7059.

- Federal Pell Grant
- Federal Direct Stafford Loan Program
  - Subsidized Stafford Loan
  - Unsubsidized Stafford Loan
- Federal Direct PLUS Loan
- Veteran’s Education Assistance (1.888.442.4551)
- Lancaster County CareerLink (717.509.5613)
- Office of Vocational Rehabilitation (1.800.762.6306)
- New Choices Career Development (717.393.1735 ext 235)

Lancaster County CTC has an open admissions policy, serving the needs of all who apply for admission. However, this doesn’t mean that there are no entrance requirements. Certain programs of study make various prerequisites a necessity. The Lancaster County Career & Technology Center is accredited by the Council on Occupational Education. All programs are approved by the PA Department of Education (PDE) and reflect the employment needs of the greater Lancaster County region. Additionally, most Lancaster County CTC training programs are credentialed by a nationally accredited organization (such as NCCER, NHA, AWS, etc.). For programs with specific program accreditation, incoming students will be required to meet enrollment requirements of both the accrediting/credentialing organization as well as Lancaster County CTC’s enrollment requirements.

Lancaster County Career & Technology Center permits adult students to attend daytime programs that are primarily taught to high school students for the purpose of workforce development. This type of training is referred to as “intergenerational.” Adult enrollment is permitted on a tuition basis as openings permit. Full-time day study consists of classes 180 days during the school year, operating six hours daily, from 8 a.m. to 2:35 p.m., with a one-half hour break for lunch scheduled by the school.

Availability of training space is limited and enrollment is based on first to apply, first accepted, until maximum enrollment for the class is reached. If you need assistance in selecting your program, please call our Admissions Office at 717.278.1469.
